**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer or small business owner who supports broadband competition. Competition is the American way! Keep America strong! I dont want to pay the high prices like I am paying for phone service! My internet provider is small and I get much more service and a lower price than the large companys like AT&T provide!
